Enjoy Citi Flex Pay on Apple Pay right at checkout

Pay over time
Choose the payment plan that works for you - with a fixed monthly fee and no interest.

No application or credit check needed
Citi Flex Pay is already a feature of your eligible Citi credit card.

Keep earning rewards
If your card currently earns rewards on purchases, you'll continue to earn them, just like you're used to.

Accepted at a wide variety of in-app and online retailers
Pay over time at your favorite retailers, in-app or online.[2]

Security features built-in
Apple Pay uses the security and privacy features on your iPhone or iPad, including Face ID® and Touch ID®, so only you can authorize payments with your Citi card.
